

SUPPORT CANADA'S MOST VALUED SMALL & MEDIUM BUSINESS ECOSYSTEM

Partner with the only not-for-profit organization that supports peer-to-peer networking for entrepreneurs in Ontario. Innovators Alliance is designed for business leaders and sponsors who share a vision to grow profitable and sustainable businesses through a network of thought leaders, advisors, peers, and innovation resources in Canada.

Entrepreneurs Who Innovate

Our membership consists of Founders, Entrepreneurs, CEO's, Presidents and Intrapreneurs of some of Ontario's fastest growing SMB's. Our Alliance consists of 80+ members from the manufacturing, technology and service sectors, with average annual revenues of \$30 million+.

Partners Who Nurture Growth

Innovators Alliance sponsors strengthen the entrepreneurial ecosystem in Ontario. They provide valuable resources to the network through Chapter meetings, workshops, networking opportunities, and one-on-one connections. These opportunities demonstrate the value they offer to business owners and executives.
